January Work Teams: Indiana & Texas

Clockwise: Work Team from LaFontaine Christian Church. Electrical Work. Men from Compass Christian Church. Four Duplex Buildings.

On January 16-22, a group of 19 people from LaFontaine Christian Church, LaFontaine, Indiana came to Colegio. Led by Rick Smalling, the team worked on married student housing at the Mexico Campus. They did the framing, decking for walls and roof, placed the shingles, did the electrical wiring and insulation, and installed windows for Duplex #4. They also did the electrical wiring for Duplex #2.

Bill Groom and Marty Davis from Compass Christian Church, Colleyville, Texas, led a work group of 30 men. Between January 21 and 27, they framed Duplex #3,

decked the walls and roof, placed the shingles, did the electrical wiring and installed sheetrock, doors and windows. They also installed doors and windows in Duplex #2 and #4.

With the help of Colegio students and staff, they organized and led an evangelistic event for the neighborhood families. Over 200 people gathered for a magic show, songs, food, candy, face painting and gifts. The men from Compass also helped a family by installing doors on their house. Thank you very much to all of you for your hard work and generosity. May God bless you.
