NEHEMIAH PROJECT PROGRESS

TEAMWORK!

HANDS-ON ADJUSTMENTS

THE COMPLETED ENTRANCE GATE

We thank God for Cornerstone Christian Church in Dallas, TX and the work mission group led by Ron Key, their minister, and Guy Ringer. They labored with their missions team in building and installing the entrance gate of Colegio Biblico Campus Mexico. We were able to concentrate building the gate on July 25 and 26 with wonderful results.

With the cooperation of these bretheren, we have taken a significant step in the process that is the "Nehemiah Project," which includes the construction of the perimeter walls for the safety of the Mexico campus. We appreciate your prayers and support for the Colegio Biblico and our endeavors for a safer campus.

HISPANIC CHRISTIAN CONVENTION

PRAISING THE LORD

COLEGIO GROUP

From July 15 to 17, Colegio Biblico had the opportunity to attend and be a part of the Hispanic Christian Convention, a bustling event where around 850 attendees from around the country gather to praise God. This year, the convention was held in Houston, TX.

From Colegio Biblico, our group of nine teachers and administration staff had the opportunity to participate in congregational worship and a special music performance during an evening service. The ensemble for the special music performance from Colegio Biblico was led by Rosa Baker, who prepared months in advance to execute this group's performance.

May God bless each and every Christian bretheren in Houston for their hospitality and may the Lord prosper His work in the Spanish-speaking peoples in the USA.

CONFRATERNIDAD NACIONAL CRISTIANA

COLEGIO'S BOOTH WITH DANIEL LLAMAS, ACADEMIC DEAN

BLESSED SERVICE

The Confraternidad Nacional Cristiana took place from July 28 to 31. It is a nationwide convention much like the Hispanic Christian Convention we participate in, however it is held in Mexico, and this year it particularly took place in the city of San Luis Potosi.

The event was full of blessings, as we were pleased to once again greet and join beloved bretheren in worship and The Word, and especially to see many graduates from Colegio Biblico serving the Lord in places all around Mexico.

During the convention, Colegio Biblico was represented by Daniel Llamas, the Academic Dean, who had the opportunity to recruit prospect students who expressed their interest in preparing for Christian ministry studies at Colegio Biblico. Please help us pray for our prospects and prayers for the upcoming 2014-2015 school year.
