On May 14th, Colegio Biblico celebrated its 62nd graduation ceremony. Professor Octavio Ruiz delivered the commencement address and each graduating student expressed their gratitude to the Lord, the college, and to those who have supported them. Academic Dean Gonzalo Flores presented each graduate with a diploma after Professor Ruiz introduced the graduating class of 2010. Thanks to your support, ministerial education was a reality for these three people. Please keep them in your prayers as they go out into the mission field.

BUILDING FUND NEED

As you probably know by now, here at Colegio Biblico we do not incur into debt when embarking on a building project. Instead, we wait on God to provide for our needs through you, our faithful supporters, and continue with the construction as the funds are available. After building four Duplex apartments for married students at the Mexico Campus, our Building Fund is now depleted.

Because of fear of the increased violence the country of Mexico and our borders are experiencing, many of our scheduled work groups have canceled their trips. This means less funds and less labor. We need your help. We pray that the Lord will put in your heart the desire to send a special offering so we can complete the Duplex apartment project. We also ask that you will fervently pray for Mexico and our borders, pray against corruption, violence and fear, and pray that the Lord may use his people for his glory.
